11 Evidently the Municipal council is not willing to bear the cost of the additional police. In my opinion no additional force is needed & the Police can attend to their proper duties in such municipal cases & the Municipal council, if it wish, may appoint.

No 67 of 22-24

OFFICE OF THE CITY MUNICIPAL COUNCIL,

Bangalore City, dated 24th October 1923.

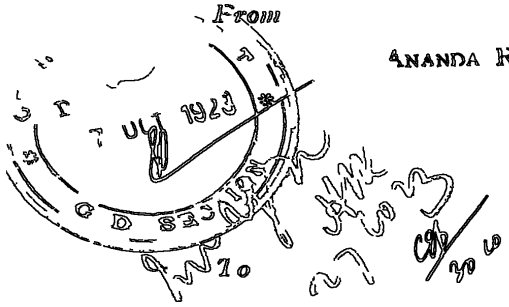
2464-7



From

ANANDA RAO HIRSI, ESQ., B A, LL B,
President, Municipal Council,
BANGALORE CITY

The Secretary,
Local and Legislative Departments,
Bangalore.

Sir,

ml 22-23-9

I have the honor to state that the active help and cooperation of the police is urgently required for the due enforcement of the Municipal Regulation and Bye-laws, especially in the undermentioned cases --

(a) in the timely identification and production of the accused before the Magistracy in prosecutions instituted by the Council, (b) in the arrest of persons committing offences as empowered by Section 168 of the Municipal Regulation, (c) in the more constant exercise of the power conferred on the police by Section 57 of the Code of Criminal Procedure in the matter of arresting persons, who after committing offences, refuse to give their correct and full address, (d) in removing encroachments and obstructions in public roads and streets and crowded thoroughfares, (e) in regulating cart traffic in crowded and narrow roads and streets, such as Old Taraqupet, New Taraqupet, Chickpet, Avenue Road, etc, and (f) in prohibiting children and grown up persons from committing nuisances in public streets during all hours of the day and night. In these matters, the Municipal staff are quite helpless without the incessant cooperation of the Police

The matter has been for some time under correspondence between this office and the Inspector General of Police. The Council at one time thought that at least nine Constables and one Sergeant would be necessary solely for this particular duty and the Inspector General of Police was requested to intimate the additional cost of the above establishment if entertained. It has been intimated by him that a sum of Rs.180-4-0 per month would be required.

3. The subject was considered by the Council at their meeting held on the 10th October 1923, and the following resolution was passed --

> "In view of the growth of the City, the alarming increase in nuisance cases in it, the dangers to which it is open by the growth of insanitation in it and the manifestly inadequate attention paid to section 168 of the Municipal Regulation and the analogous law under section 56 of the Police Regulation by the City Police, it is hereby resolved that Government be moved that the Inspector General of Police in Mysore be requested to more effectively cooperate with the Bangalore City Municipal Council in the matter of the suppression of nuisance in the City, the Government providing the requisite additional men and funds for this purpose, if the same is found to be necessary "

4. I am to request you to be so good as to move the Government to sanction the above resolution. I need hardly add that without some Police force being specially and solely deputed for this work, it is not possible to remove effectively the existing grave defects indicated above.

I have the honor to be,
Sir,
Your most obedient servant,

President.

Proceedings of the Govt. of H.H.
the Maharaja of Mysore.
